

ENDURO EQUINE SUFFOLK SPRING SERIES

RULES

The Enduro Equine Suffolk Spring Series is an Individual and a Team Competition. Endurance GB Trophy Points earned by combinations at Kings Forest Spring and Lavenham Endurance will be utilised to determine the winners of both the Individual and Team competitions.

Individual Competition

The winner of the Individual Competition will be the horse and rider combination earning the most Endurance GB Trophy Points across both competitions. The winner of the Individual Competition must compete in both Kings Forest and Lavenham Endurance.

Team Competition

The winners of the Team Competition will be the pre-declared team earning the most Endurance GB Trophy Points across both competitions. Teams must be declared utilising the official declaration form which must be submitted by hand at Kings Forest or by email (see the declaration form for full details) before Thursday 1st June 2023.

Teams must be made up of:

- *Four combinations, of any level – this year, you do not have to have novice, open & advanced horses.*

In order for the team to remain eligible, at least three of the four declared combinations must compete at Kings Forest and Lavenham Endurance. If a team is unable to field the appropriate number of team members at both rides, they can no longer be considered for the competition. Should a combination fail to successfully complete their class then their score will be counted as 'zero points' in the combined totals.

It is possible to compete as both an individual and team member. All entries must abide by all Endurance GB rules and must understand that any required rest periods are applicable. Winners will be announced at the Lavenham Endurance Prize Giving on the 25th June and an individual and team representative **must** be present in order to receive any prizes.
